

UTMB®, CCC®, TDS and Petite Trotte à Léon Visualise the routes on Google Earth

First of all, you must have installed Google Earth on your computer : free download on <http://earth.google.com/download-earth.html>

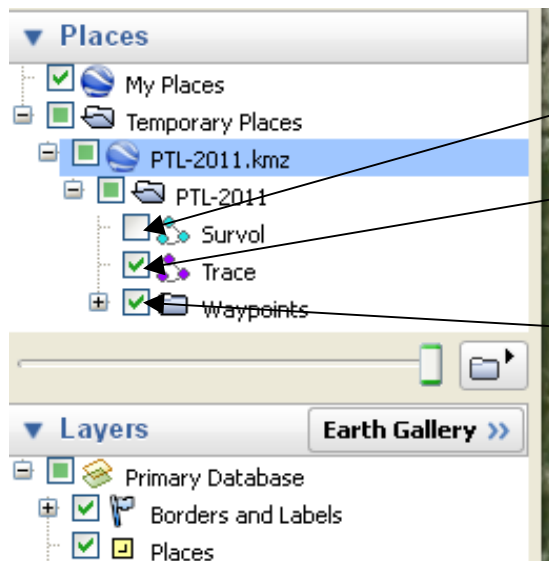

Download the file UTMB-2011.kmz or CCC-2011.kmz or TDS-2011.kmz or PTL-2011.kmz and record it in the directory of your choice (My Documents, for example)

Launch Google Earth

Do "File/Open" » and select the file UTMB-2011.kmz or CCC-2011.kmz or TDS-2011.kmz or PTL-2011.kmz.

The file appears in « Temporary locations »

Do not tick this box

Tick to make the route appear

Tick or remove the tick to make the waypoints representing the passes or the refuges appear.

Fonctionnement manuel

Use the Navigator to explore the race
